

Marine Platform Scale

Model SRV713W

Weighing California Sea Lions? The SRV713W is a large platform scale designed to weigh larger marine mammals. The scales round edges make beaching easy for the animal.

Constructed from heavy duty stainless steel with sealed load cells, SR marine scales provide years of dependable service.

The built-in readout features Bluetooth wireless capability allowing the scale to be operated remotely with the SR Scales' app (tablet included).

The scale has integrated wheels to help move the scale when placing poolside.

WIRELESS

The scale electronics are equipped with Bluetooth wireless communication, enabling the animal keeper to operate the scale at a safe distance using an android tablet or phone.

PLATFORM SIZE

48" x 72"

HEAVY DUTY

Stainless steel platform and sealed electronics provide durable service in the toughest environments.

CAPACITY

2,000 Lbs or 907 Kgs

PORTABLE

Scale can be moved between pools and storage with built-in wheels.

POWER

Six "AA" batteries provide up to 800 weigh cycles (5 minutes/ cycle).
